

We have a small team of volunteers and are always looking for enthusiastic new team members. As volunteers our aim is to help everyone to:

### 1. DISCOVER

Discover the experiences of the soldiers of the Northumberland Fusiliers in peace and war.

### 2. EXPLORE

Explore developments in equipment over the last 100 years and its impact on the battlefield.

### 3. REFLECT

Reflect on the sacrifices of soldiers in all armies. Their experiences and scars, both physical and mental. Remember those who made the ultimate sacrifice and did not return, the impact on their families and the wider community.
